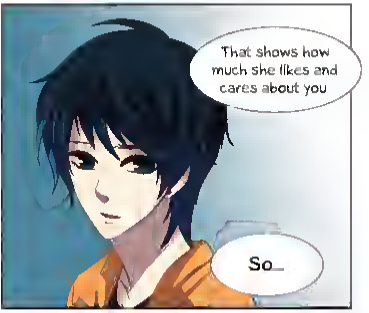
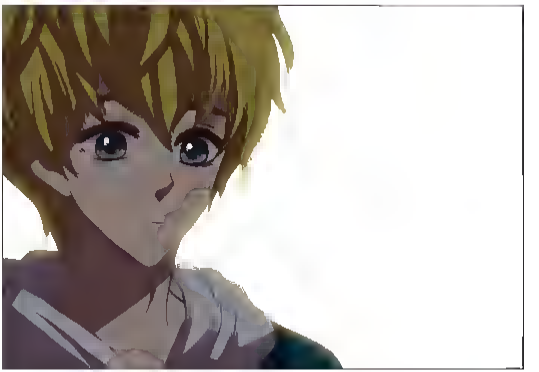
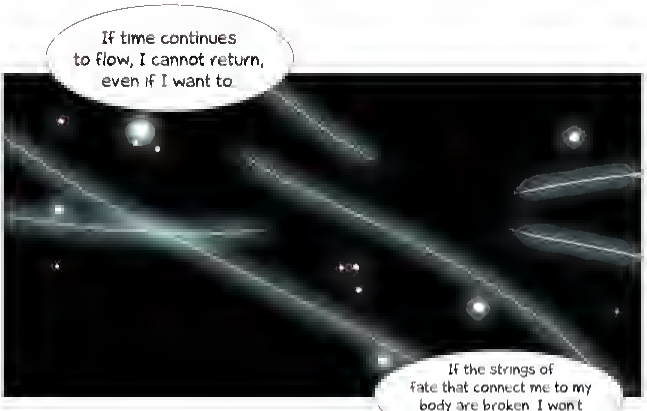
She went through a really hard time when you disappeared.



What do you want to do?



I don't know...
If I stay like this, I'll probably be separated
Sepa-rated?

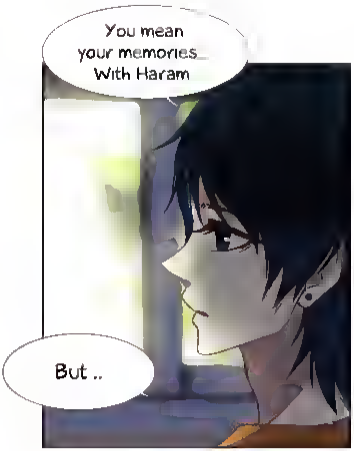


If time continues to flow, I cannot return, even if I want to
If the strings of fate that connect me to my body are broken I won't be able to return.
The purple nyung told me so

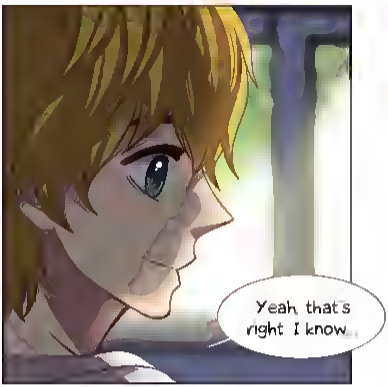
And if I do not return...
It makes me wonder, what kind of existence would I be if I were separated?

What am I?
I'm Yu Gaon, but not the real Yu Gaon

At first, I was happy to hear that my body was alive, but...
If I were to return, I won't be a soul or anything anymore. just a fragment. And I don't know what will happen to my own memories"
I'm scared...

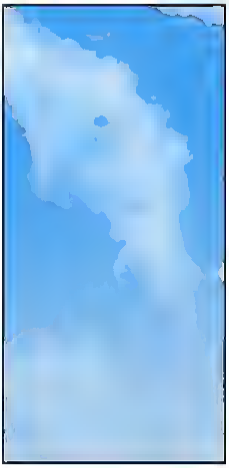


You mean your memories With Haram
But ..

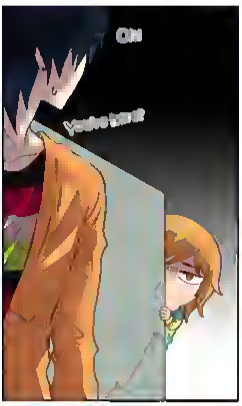


Yeah, that's right I know

...This is a decision I have to make myself.



rattle~



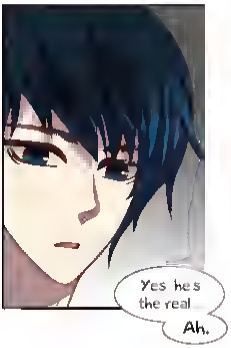
Oh

Here the necklace. I didn't give it back to you before, did I? You should've asked for it before
Yeah I was wondering if you were going to keep talking to Gaon

You're amazing. How did you know this was going to happen?
Like Detective Conan

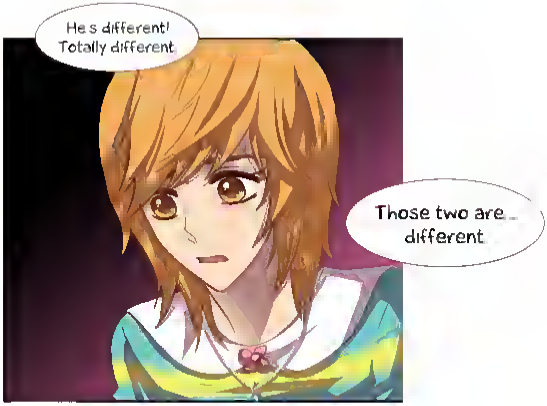
Because I'm smart So the tutoring will never end
Haha!
Hmph I hate studying.

Right now, at your house...
The one you said was your friend. Is he also Gaon?

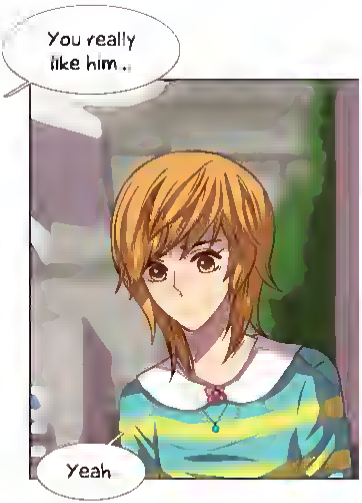


Yes, he's the real
Ah.

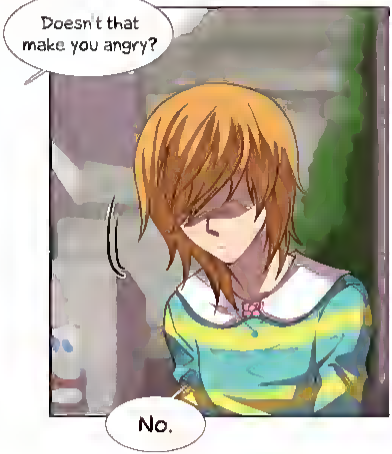
He's separated but he's the same person
ANGER!!
NO!



He s different!
Totally different
Those two are...
different



You really like him..
Yeah.



Doesn't that make you angry?
No.

I'm trying to sort things out in my head
When that's done, there's something I want to tell you so please listen.

All right

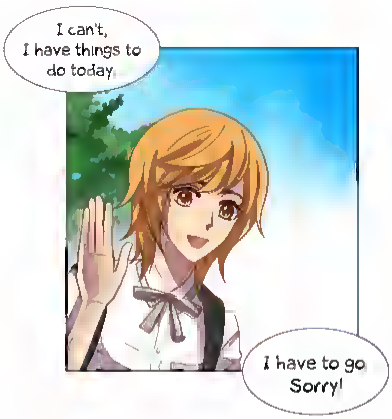
I'll wait

-Chapter 76-
Sorting It Out

Several days later.

Haram!

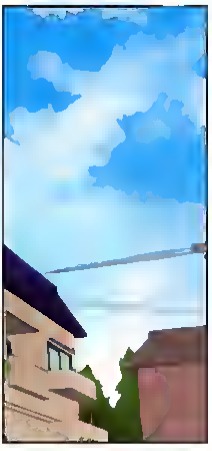
Gee were you trying to escape from us again? Let's go eat spicy rice cakes~
YAY~
HUG!!
cough!!
YAY~
I heard that the new place across from here is delicious!



I can't,
I have things to do today.
I have to go. Sorry!

She's always the first to leave lately
She sometimes skips the evening classes too
Sigh

I wonder why.



HMMMM!

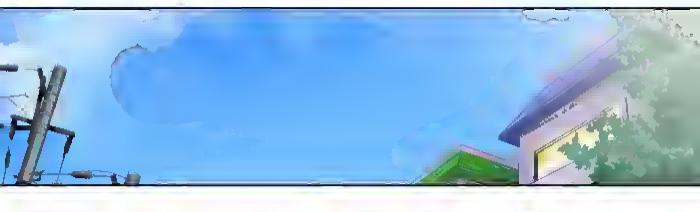
What do you want to do today?
OH DO
It's been awhile, so do you want to borrow Garam's body and go play soccer?

The sea-

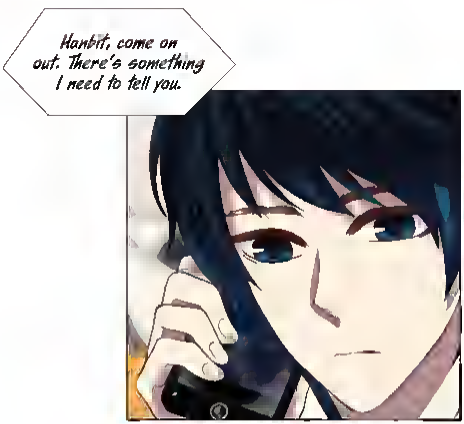
I want to go see the ocean
I went there not to long ago but it was awkward since it was just two guys
I want to go there with you
Hehe

That's right we tried to go together back then but we never did
We can go first thing tomorrow morning

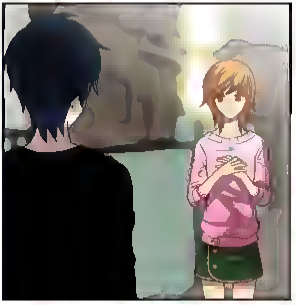
Let's go see the ocean!

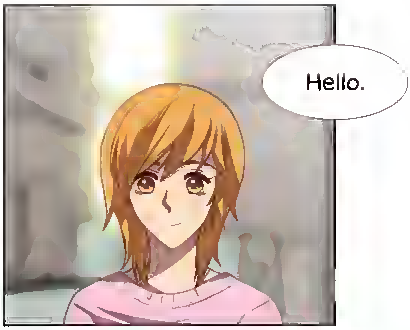


Someone's calling you!



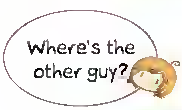
Hanbit, come on out. There's something I need to tell you.





Hello.

Hello.



Where's the other guy?

Gaon? He went to the convenience store.
What do you want to tell me?

That's Um...

I think I found someone I love

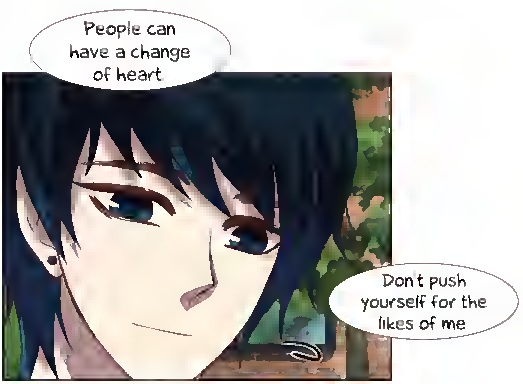
Really? I'm disappointed
AHHHHHHH
No, it's not it's not that I dislike you !

I like you I do. but right now I don't feel that way towards you anymore

I know how you feel so
I'm sorry I was angry at you!

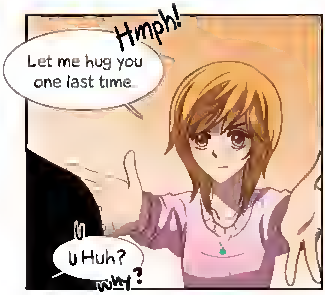
I didn't want to admit it...

I didn't want to admit the fact that my feelings towards you had changed...
I thought you found a new friend
SL
Ap!!
Why do you keep saying
that I like another person?
I kept telling myself that my feelings couldn't have changed just like that. I hated myself for it, and I felt like an idiot.



People can have a change of heart
Don't push yourself for the likes of me

What do you mean "For the likes of you"?
Aah, but I don't want to give you to another woman!



Hmph!
Let me hug you one last time.
Huh?
why?

Are you an octopus?
HUG!

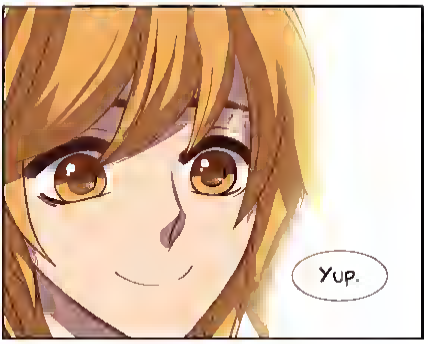
It's true
I really liked you a lot Hanbit

Yeah, thank you
pat-
sniffle T_T
I think I understand now how Sol feels

You're allowed to like other people now
Hmph!
I release you from my curse—
Argh
It was a curse?

mumble...
I want you to be happy too

You too.



Yup.

Goodbye then
I'm going out with
Gaon today
Alright, have
a nice trip.

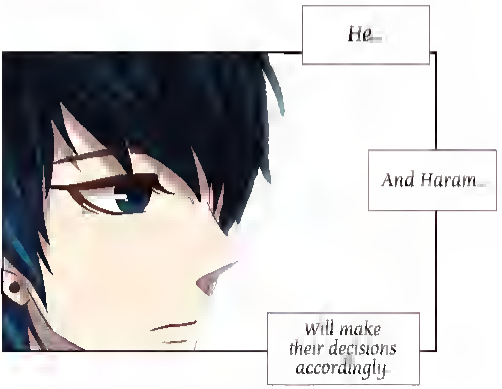
It's a bit lonely.
What is?
Do you want some juice

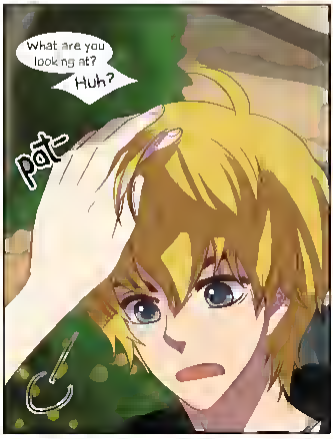
You're here
To think that I lost to this face
AH! WHAT?
CRUSH

I wonder if this is the kind of feeling I'll get when I marry off my daughter
SERIOUSLY, WHAT IS IT?!
HISS!!!
HM~

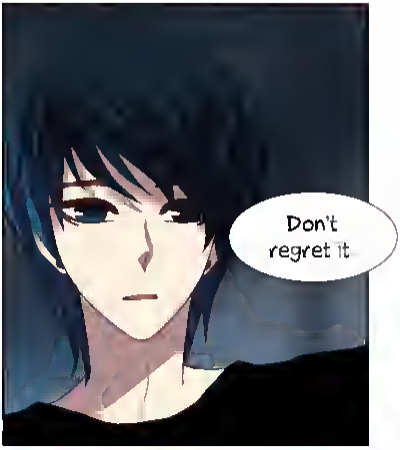


He...
And Haram...
Will make their decisions accordingly

You'll have to decide as well



What are you looking at?
Huh?
pat



Don't regret it

Have a nice trip, Haram.
